What We Do

We aim to provide excellent insurance and reinsurance consulting and placement services across the globe. Our future plan is to be leading insurance and reinsurance broking firm in Nepal and to protect and defend the interest of insurers across the globe. We also thrive to become one of the most professional reinsurance brokers recognized globally. Being a reinsurance intermediary, we commit and push ourselves to be the best professional insurance and reinsurance services provider by endeavoring to take client experience to a higher level, using expertise, innovation, information, and implementation, thereby building in the minds of clients a high degree of trust and assurance.

Our Services

Facultative

With our unique facultative reinsurance business approach, we empower our clients through a consultative and Analytical approach. Our dedication to transparency and committed approach helps us guide them through key operational decisions to obtain the capacity they need. We focus our time, energy, creativity, and expertise on the client's needs. With our high level of proficiency in Property, Construction & Engineering, Marine and Aviation we provide not only premier service, but also impressive results.

Treaty

Regardless of the type or structure of Treaty Reinsurance (Proportional and Non-Proportional) and in view of the distinguished relationships, we enjoy with underwriters in the international and regional reinsurance markets, you can be rest assured with us, you will receive dedicated and professional services with us. We provide treaty reinsurance services on:

- Treaty Limits based on exposures
- Obtaining best terms and conditions
- Quotation from leading rated reinsurers across the globe
- Placement of reinsurance policies
- Technical accounting: Timely submission of documents, accounts and settlements.
